POLICY

All items submitted for public consideration by the Board of Supervisors must be presented on an ASR, which is electronically created, processed and forwarded for review and approval using the Comprehensive Agenda Management System (CAMS). Examples of required Board action include, but are not limited to:

- Additional funding
- Appointments
- Acceptance of significant donations
- Budget items
- Contracts or contract amendments/service providers
- Grant applications or acceptance of grant funds
- Legislation
- Memorandum of Understanding (MOU) or MOU amendments

For more information, please reference the OC Board of Supervisors Rules of Procedure.

In addition to the guidelines outlined in this policy and procedure, all Social Services Agency (SSA) employees shall follow the established guidelines set forth by the Clerk of the Board (COB) in the submittal of an ASR.
