Child Abuse Central Index (CACI) Grievance Reviews

Purpose	To provide guidelines for the grievance review process for individuals reported to the California Department of Justice (DOJ) for inclusion in CACI.
----------------	--

Approved	This policy was approved by Gary Taylor, Director of CFS, on May 28, 2015. <i>Signature on file.</i>
-----------------	--

Most Recent Revision	<p>This revision of the Policy and Procedure (P&P) includes:</p> <ul style="list-style-type: none">• Procedural revision to schedule grievance hearing upon receipt of grievance hearing request• Rendering obsolete <i>Acknowledgement of Request for Grievance Hearing (F063-25-730)</i>• Removal of CACI Grievance Review Inbox, which is now rendered obsolete
-----------------------------	--

Background	<p>The California Penal Code (PC) has required child welfare agencies to submit a written report to the California DOJ to list an individual's name in CACI for all substantiated and inconclusive allegations of child abuse and severe neglect.</p>
-------------------	---

In 2004, the *Burt v County of Orange* ruling mandated that due process be provided to individuals requesting to challenge their CACI listing, but did not specify the nature of the process. In response, Orange County Children and Family Services (CFS)

developed a three level grievance process.

In 2007, the *Gomez v Saenz* lawsuit settlement agreement included a specific process for challenging a CACI listing. As of March 1, 2008, all 58 California counties were required to provide appropriate notice to individuals of their CACI listing, as well as the right to appeal. Unless ineligible, individuals who wish to challenge their CACI listing must be given a grievance hearing.

Effective January 1, 2012, AB 717 modified reporting requirements to CACI to reflect that only substantiated allegations of child abuse and severe neglect be submitted to the DOJ.

In addition, the Child Abuse and Neglect Reporting Act (CANRA) was amended to reflect, in part:

- All inconclusive reports of child abuse or severe neglect previously submitted to CACI will be removed from the CACI database
- Substantiated reports will not include situations where the investigation found the report to be false, inherently improbable, to involve accidental injury, or to not constitute child abuse or neglect as defined by Penal Code (PC) Section (§) 11165.6
- Police and sheriff departments will no longer forward reports of child abuse and severe neglect to CACI
- Persons listed on CACI have a right to a hearing to challenge the CACI listing although it may be denied under certain circumstances. The hearing will meet due process requirements
- CACI listings will be removed for persons who reach 100 years of age

Further, effective September 30, 2012, AB 1707 was passed and further modified CANRA to include the provision that:

- For minors, CACI listings will be removed 10 years from the date of the incident if there are no subsequent listings

Definitions

For purposes of this P&P, the following applies:

Good cause: A legally sufficient reason to grant the complainant's request, as determined by the Grievance Review Officer.

POLICY

Notice of Right to Grieve

California Department of Social Services (CDSS) Manual of Policies and Procedures (MPP) Division 31-021 and All County Letter (ACL) 10-52 outline CACI grievance procedures.

Within five business days of CFS submitting the *Child Abuse or Severe Neglect Indexing Form (BCIA 8583)* to the DOJ, CFS will provide the individual with a substantiated finding of child abuse or severe neglect with written notification of the submission of the individual's name to the DOJ.

Written notification includes:

- *Notice of Child Abuse Central Index Listing (SOC 832)*, which indicates:
 - That CFS has completed an investigation, the findings of the investigation, and the referral of the individual to the DOJ for CACI listing
 - Victim's name, a brief description of the alleged abuse or neglect, and the date and location of alleged incident
 - Individual's right to request a grievance
 - County contact
- *Grievance Procedures for Challenging Reference to the Child Abuse Central Index (SOC 833)*
- *Request for Grievance Hearing (SOC 834)*

The information and materials will be mailed to the individual's last known address or any other address known by CFS that will most likely reach the individual.

Grievance Requests

Following notice that an individual is named as a suspect in CACI, the individual may request a grievance hearing.

Exception: No grievance hearing is required when a court of competent jurisdiction (including, but not limited to, juvenile, criminal, civil, or probate proceedings) has determined that the suspected child abuse or severe neglect has occurred, or when the allegation of child abuse or severe neglect resulting in the notification to the CACI is pending before the Court. A complainant who has initially been denied a hearing has a right to a hearing when the Court's jurisdiction has terminated without the Court making a determination that the suspected child abuse or severe neglect occurred.

When a court case is pending but the complainant is not a party to the court proceedings, the complainant is entitled to a grievance hearing.

A grievance will be initiated by the complainant who will submit (by mail, fax, or in person) a written and signed request for grievance. The request will include the referral number, name of county, complete contact information, date of birth, name of representative and contact information for representative, if applicable, and the facts that the complainant believes to provide a basis for reversal of the outcome of the CFS investigation.

The complainant will submit the request for grievance to the Social Services Agency (SSA) Grievance Review Coordinator or designee within 30 calendar days of the date the notice and request for grievance were mailed to the complainant. Failure to submit the request for grievance to SSA within 30 calendar days will constitute waiver of the right to a grievance hearing.

When a complainant was not previously sent a request for grievance, the complainant will file the request for grievance with SSA within 30 calendar days of becoming aware that he or she is listed on the CACI and becoming aware of the grievance process.

Upon request, SSA will assist the complainant with completion of the form necessary to initiate the request for grievance.

Internal Review CFS may resolve a grievance prior to holding a Grievance Hearing.

CFS will conduct an Internal Review in the following circumstances:

A. **Request for Grievance Hearing:**

Per CFS policy, when a request for grievance is received by SSA, the Grievance Review Coordinator or designee will notify the Senior Social Worker (SSW) who completed the child abuse investigation, their Senior Social Services Supervisor (SSSS), and Program Manager (PM) by email. An internal review will be completed by the SSW and SSSS who will examine:

- Screener and Investigation Narratives
- Other pertinent documentation gathered during the course of the investigation
- New information which has come forward since the conclusion of the investigation (i.e., court decisions, new evidence, etc.). (**Note:** The Grievance Review

Coordinator will forward new information, including information provided by the complainant, to the SSW and SSSS conducting the Internal Review within no fewer than nine business days prior to the Internal Review. Documents received beyond this period of time will be forwarded to the Grievance Review Officer for review at the time of a Grievance Hearing, if necessary.)

The SSW and SSSS will consider whether the disposition is supported by the currently available information.

B. No Request for Grievance Hearing:

An Internal Review may be required when a request for grievance has not been received by SSA, but new information is obtained that was not available at the time of the investigation and may affect the original disposition (e.g., CFS files an amended petition to strike the allegation that was the basis for the CACI submission, etc.).

When this occurs, the assigned SSW will consult with a SSSS to determine whether to conduct an internal review.

When it is determined that the information may not or does not support the disposition; the SSW and/or SSSS will meet with the assigned PM to review and obtain approval to modify the disposition, when appropriate.

When it is determined that it is necessary to modify the disposition, ER staff will notify the Grievance Review Coordinator.

When neither the SSW nor the SSSS involved in the child abuse investigation are available, the Grievance Review Coordinator or designee will contact the PM to assign an alternate SSSS to review the original investigation record and participate in the grievance hearing, if necessary.

If the disposition is modified as a result of an internal review, the Grievance Review Coordinator will be responsible for completing the activities outlined in the "Disposition Changes" Policy section below.

**Grievance
Hearing**

A grievance hearing is the second and final level of review. A grievance hearing will be scheduled within 10 business days and held no later than 60 calendar days from the date the request for grievance is received, unless otherwise agreed to by the complainant and SSA.

The Grievance Review Coordinator or designee will mail notice of the date, time, and location of the grievance hearing to the complainant at least 30 calendar days prior to the hearing, unless otherwise agreed to by the complainant and SSA.

The complainant or SSA may request a continuance of the grievance hearing not to exceed 10 business days. Additional continuances, or dismissal of the hearing, will be granted with mutual agreement of all parties involved, or for good cause. Per CFS policy, no more than two continuances will be granted without good cause.

The complainant may have an attorney or other representative present at the grievance hearing. When the complainant has provided a signed *Authorization of Representation (F063-25-529)* form prior to the grievance hearing, CFS will release information as allowed by law to the attorney or representative. Upon receipt of notification that the complainant will be bringing an attorney, County Counsel will be notified of the hearing and any future dates that are calendared. County Counsel must be present at a Grievance Hearing when the complainant has an attorney.

Grievance hearings will be conducted, to the extent possible, in a non-adversarial atmosphere.

The Grievance Review Officer will consult with County Counsel regarding whether to conduct subsequent Grievance Review Hearings, when a complainant who has had a Grievance Review Hearing requests a subsequent Grievance Review Hearing.

**Grievance
Review Officer**

A Grievance Review Officer will conduct the grievance hearings. The Grievance Review Officer is designated by the CFS Director and will be:

- A person not involved in the investigation or decision of the alleged child abuse or severe neglect
- Neither a coworker nor a person directly in the chain of supervision of any persons involved in the original investigation of the alleged child abuse or severe neglect. **(Note:** Coworker includes a staff person who has regular direct contact with the staff involved in the finding related to the grievance, and this person is unable to act as an impartial reviewer)
- Knowledgeable of the child welfare field and capable of objectively reviewing information pertaining to the grievance
- Able to conduct a fair and impartial hearing

The Grievance Review Officer will voluntarily disqualify himself or herself and withdraw from the grievance proceeding if unable to give a fair and impartial hearing.

The complainant or CFS staff may also request, at any time prior to the close of the record, that the Grievance Review Officer be removed on the grounds that a fair and impartial hearing cannot be held or a decision cannot be rendered. Such request will be ruled on by the Grievance Review Officer prior to the close of record.

Further, the Grievance Review Officer's supervisor will review and adopt or reject the request, in consultation with the County Counsel assigned to advise the Grievance Review Officer. If the complainant's or CFS staff's motion for disqualification is granted, the hearing will be postponed and rescheduled with another Grievance Review Officer. If the Grievance Review Officer is disqualified after the hearing but before the close of record, the Grievance Review Coordinator or designee will notify the complainant and CFS that the case is being assigned to another Grievance Review Officer for preparation of the decision on record. The complainant or CFS staff may elect to have a new grievance hearing.

Inspection of Evidence

Per CFS Policy, the Grievance Review Coordinator will provide the *827 Petition Information Sheet (F063-25-527)* to a complainant and/or their attorney or representative to request the information that will be used during the Grievance Hearing.

SSA may redact names and personal identifiers from the documents and evidence as required by law and to protect the identity, health, and safety of reporting parties. SSA may further redact information regarding mandated reporter's observations of the evidence indicating abuse or neglect.

Hearing Guidelines and Procedures

Generally two hours will be set aside for a hearing, however, if after exchange of witness lists and documents, it is anticipated that additional time is needed, parties will be allowed to provide a time estimate to the Grievance Review Officer or Grievance Review Coordinator. Parties will adhere to time estimates provided, absent good cause. In granting additional time, Grievance Review Officers should be mindful of their duty to provide due process.

Each party and their attorney or representative (and witnesses while testifying), will be the only persons allowed in the hearing room unless all parties and the Grievance Review Officer consent to the presence of other persons.

Each party may call witnesses to the hearing and question the other party's witnesses. The Grievance Review Officer may limit the questioning to protect a witness from unnecessary embarrassment, oppression, or harassment.

The Grievance Review Officer may prevent the presence or questioning of a child at the hearing for good cause, including but not limited to protecting the child from trauma or ensuring the child's health, safety, and/or well-being. The Grievance Review Officer may permit the presence or testimony of a child only if the child's participation in the hearing is voluntary and the child is capable of providing voluntary consent. The Grievance Review Officer may interview the child outside the presence of the parties in order to determine whether the child's participation is voluntary or whether good cause exists for preventing the child from being present or providing testimony.

The SSW who conducted the child abuse investigation will be present at the hearing. Per CFS policy, if the SSW who prepared the Investigation Narrative is not available (**Note:** This does not include a conflict due to a work assignment), the SSSS who approved the Investigation Narrative will be present, or another SSSS designated by the program's PM. When the SSW is not available, the complainant and attorney or representative will be notified and given the option to invoke the continuance rules outlined in the "Grievance Hearing" Policy section above.

All testimony will be given under oath or affirmation.

The Grievance Review Officer has no subpoena power.

CFS will first present evidence supporting the disposition which is the subject of the grievance. The complainant will then provide evidence supporting the claim that the CFS decision should be withdrawn or modified. CFS will be allowed to present rebuttal evidence in further support of the original disposition. Thereafter, the Grievance Review Officer, at his or her discretion, will allow the parties to submit any additional evidence that may be warranted to fully evaluate the matter under review.

The Grievance Review Officer will have the authority to continue a grievance hearing up to 10 calendar days if additional evidence or witnesses are necessary to make a decision.

Grievance hearings will be recorded as part of the administrative record. The SSA Custodian of Records will possess and maintain the administrative record of grievance hearings. The complainant or complainant's attorney will be allowed to review the recording

and/or request a transcription. The complainant will be responsible for the cost of transcription, if requested. If any party seeks judicial review of the final decision, the administrative record will be lodged with the Superior Court.

Information disclosed at the grievance hearing will not be used for any other purpose unless otherwise required by law. No information presented at the grievance hearing will be disclosed to any person other than those directly involved in the matter.

**Grievance
Hearing
Decisions**

The Grievance Review Officer will determine, based on the evidence presented during the grievance hearing, whether the allegation of child abuse or severe neglect is unfounded, inconclusive, or substantiated as defined in PC § 11165.12. SSA bears the burden of proof at the hearing.

The Grievance Review Officer will submit a written recommended decision to the CFS Director within 30 calendar days of the completion of the grievance hearing. The recommended decision will include:

- Summary statement of facts
- Issues involved
- Findings
- Basis for decision

The CFS Director will issue a written final decision adopting, rejecting, or modifying the recommended decision within 10 business days after the recommendation has been issued. The final decision will be based on the evidence presented at the grievance hearing. The CFS Director will provide an explanation when a recommended decision is rejected or modified.

**Decision
Distribution**

The CFS Director's office will provide copies of the recommended and final decision letters to:

- The complainant who requested a grievance hearing
- The complainant's attorney or representative, when applicable
- California Department of Social Services (CDSS)
- CFS Director, assigned Deputy Director, assigned PM
- County Counsel, if present at the grievance hearing
- Deputy Director of the Grievance Review Officer, Grievance Review Officer, Grievance Review Coordinator

The Grievance Review Coordinator will provide a copy of the final decision letter to the CAR/ER Clerical Supervisor for inclusion in the permanent record.

Disposition Changes

A substantiated finding may be changed as a result of one of the following:

A. **Internal Review:**

When modifying findings based on an Internal Review, the SSW or SSSS who conducted the Internal Review will immediately email notification of this to the Grievance Review Coordinator.

The Grievance Review Coordinator will complete the requirements listed under the “Modifying Findings” Policy section below.

B. **No Documentation:**

If it comes to the attention of CFS staff that there is no available documentation to support the basis for the CACI referral finding, CFS staff will immediately email notification of this to the Grievance Review Coordinator.

The Grievance Review Coordinator will complete the requirements listed under the “Modifying Findings” Policy section below.

C. **Grievance Hearing:**

When modifying findings due to the decision made following a Grievance Review Hearing, the Grievance Review Coordinator will complete the requirements listed under the “Modifying Findings” Policy section below.

Modifying Findings

Per the guidelines in the “Disposition Changes” Policy section above, no later than five business days after a decision has been made to modify the disposition the Grievance Review Coordinator will:

- Update the Investigation Narrative to indicate that an internal review resulted in a change in disposition
- Modify the Allegation Conclusion in Child Welfare Services/Case Management System (CWS/CMS)
- Notify the DOJ to request that the complainant’s name be removed from the CACI for the specific referral when the disposition is inconclusive or unfounded or the record no longer exists. (Refer to CWS/CMS [CWS/CMS Data Entry Standards—Generating Child Abuse Central Index \(CACI\)](#))

Forms)

- Inform the complainant in writing of the results of the internal review
- Forward the following to the CAR/ER Clerical Supervisor for inclusion in the permanent record:
 - Updated Investigation Narrative
 - *Child Abuse or Severe Neglect Indexing Form (BCIA 8583)*
 - CWS/CMS screenshots of findings prior to allegation disposition change and after allegation disposition change
 - Final decision letter

For instruction on modifying a disposition in a closed referral, refer to [CWS/CMS Data Entry Standards—Grievance Request for Closed Referrals](#). For instruction on modifying a disposition in a referral that has been promoted to a case, refer to [CWS/CMS Data Entry Standards—Grievance Requests with a Change in Allegation Conclusion on Referrals with a Disposition of Open New Case](#).

Per CFS policy, the Grievance Review Coordinator will notify the DA and law enforcement by sending a copy of an amended *Child Abuse or Severe Neglect Indexing Form (BCIA 8583)* when all of the following apply:

- The DA has been notified of a substantiated allegation at the conclusion of an ER investigation
- The disposition is subsequently changed as a result of a grievance hearing
- SSA is aware of an ongoing criminal investigation related to that allegation

The Grievance Review Coordinator will document follow-up notification in the Investigation Narrative. If the DA or law enforcement has questions about the change in disposition, the Grievance Review Coordinator or designee will respond to the inquiry.

Hearing Record The hearing record, including documents and other evidence accepted during the grievance hearing, will be retained by the Grievance Review Officer until a final decision has been rendered. At the conclusion of the grievance process, all grievance materials including the hearing record, recording, and documents accepted as evidence at the hearing, will be sent to and maintained by the SSA Custodian of Records for a period of three years. After three years, the grievance materials will be purged, pursuant to a CEO-

approved record management schedule, provided litigation has not been initiated during that time or the hearing materials have not been identified for legal hold.

If the complainant challenges the final decision of the CFS Director, the evidence and information disclosed at the grievance hearing may be part of an administrative record for a writ of mandate and kept confidential. The administrative record will be kept confidential, and if requested, filed with the Superior Court under seal.

Conflicts of Interest

The Grievance Review Coordinator or designee will check for conflicts of interest for all grievance hearings. A Grievance Review Officer who was involved in the original investigation decision will not participate in the review process on the referral in question. An alternate Grievance Review Officer will be identified when a conflict of interest arises, or when the Grievance Review Officer is unavailable to participate in a grievance hearing.

CACI Inquiries

Per PC Section 11170(f)(1), persons may contact the DOJ to inquire about a CACI listing, utilizing *Child Abuse Central Index Self Inquiry Request (BCIA 4056)*. The DOJ will notify in writing when the person is listed as a complainant or a victim and will refer the person to the agency that originally submitted the CACI information. Such inquiries made to CFS will be referred to the Grievance Review Coordinator or designee for processing.

Mistaken Identity

When an individual is notified by the DOJ that they may have a possible match on CACI and contacts the Grievance Review Coordinator to report the CACI listing as incorrect, the Grievance Review Coordinator will compare information provided by the individual (e.g. current and previous addresses, personal identification, etc.) with information in CWS/CMS.

If it is confirmed that it is a case of mistaken identity, the Grievance Review Coordinator or designee will fax the mistaken identity information to the DOJ.

If it is determined that the CACI listing is correct and not a case of mistaken identity the Grievance Review Coordinator will advise the individual of the Grievance Review Hearing process, including providing the: *827 Petition Information Sheet (F063-25-527)*, *Grievance Review Hearing Time Waiver (F063-25-729)*, and *Authorization of Representation (F063-25-529)*.

[PC § 11169\(e\)](#) states that a grievance hearing will be denied when a court of competent jurisdiction has determined that suspected child abuse or severe neglect resulting in the referral to CACI is pending before the Court. If the court terminates jurisdiction, the court has not made a finding concerning whether the suspected abuse or neglect was substantiated, and a hearing has not previously been provided, the listed person has a right to a hearing.

[PC § 11169\(g\)](#) and California Department of Justice Information Bulletin, No. 12-06-BCIA (December 19, 2012) indicate that as of January 1, 2013, any person listed in CACI prior to reaching 18 years of age will be deleted 10 years from the date of the incident if no subsequent report concerning the same person was received during the 10-year period.

[PC § 11169\(h\)](#) states that if after a grievance hearing or a court proceeding described in PC § 11169(d), it is determined a person's CACI listing was based on a report that was not substantiated, CFS will notify the DOJ of that result for removal from CACI.
