
**ORANGE COUNTY SOCIAL SERVICES AGENCY
CFS OPERATIONS MANUAL**

Effective Date: December 2, 2009

Number: B-0215

Child Welfare Training Regulations

Purpose To provide guidelines for the completion and tracking of mandatory training requirements for child welfare employees.

Approved This policy was approved by Mike Ryan, Director of CFS, on December 2, 2009. *Signature on file.*

Background The Federal Child and Family Services Review (CF SR) of September 2002 indicated California was insufficient in mandatory training for line-staff social workers and supervisors, a statewide standardized curriculum, and mandatory hours of continuing training.

As a result, the California Department of Social Services (CDSS) agreed to establish **mandatory** standardized core training and a minimum of hours of **mandatory** continuing training for child welfare social workers and supervisors effective July 1, 2008.

Legal Mandates [Welfare and Institutions Code \(WIC\) Section 16205](#) mandates the establishment of a statewide multipurpose child welfare training program.

[Welfare and Institutions Code \(WIC\) Section 16206](#) describes the requirements of a statewide child welfare training program including specific training topics and annual performance assessments to the CDSS.

[CDSS All County Letter \(ACL\) 08-23](#) informs county welfare departments of the mandated child welfare training regulations effective July 1, 2008.

[CDSS All County Information Notice \(ACIN\) I-21-09](#) provides answers to frequently asked questions regarding the mandated child welfare training regulations.

[Code of Federal Regulations, Title 45, Section 1357.15\(t\)](#) mandates that employee training, applicable to Title IV-B and IV-E, be an ongoing activity and training content be from various disciplines and knowledge bases relevant to child and welfare services policies, programs, and practices.

[CDSS Policies and Procedures Manual, Division 14-610](#) mandates county welfare departments to provide training to employees who are newly hired, transferred, or promoted to social services positions.

[CDSS Policies and Procedures Manual, Division 14-611](#) outlines the requirements of the standardized child welfare core training, topics, continuing training, and completion time frames.

[CDSS Policies and Procedures Manual, Division 14-900](#) dictates county welfare departments to determine and record all training activity and submit information to the CDSS upon request.

[CDSS Manual Letter SD-08-01](#) indicates failure to comply with the child welfare training regulations may result in adjustments to the county's Title IV-B and IV-E claims.

For instruction on entering a non-cataloged event in TP, refer to [Applying for a Non-Cataloged Event](#) on the SSA/TCD website.

SSA may reimburse employees for training events that incur an expense to the employee. For complete instruction on the reimbursement program and associated forms, refer to SSA Administrative P&P [Education and Professional Reimbursement \(C 22\)](#).

CFS Mandated Training

Periodically, CFS Management will mandate specific training for child welfare employees. CFS employees will attend and complete any training mandated by CFS Management or their direct supervisor.

CFS mandated training will count toward the 40-hour Continuing Training requirement.

Course Completion

In order to receive credit for a class attended, an employee will not miss more than 30 minutes of the class, to include:

- Arrival and departure time
- Return time from lunch and breaks

Exceptions to the Training Timeliness policy (30 minute rule) will be approved by the employee’s supervisor and in consultation with TCD as outlined in “Required Actions—Training Timeliness” in the Procedure section below.

Note: Late arrivals to CWS/CMS and SDM classes, or trainings that involve the use of other computer applications, will not be accommodated.

Social workers and supervisors will complete the required training during their normal works hours. Employees will follow established SSA and program protocols regarding the alteration of work schedules to complete any work mandates or duties, including attendance at training.

Training Notification

TCD will notify CFS employees by email of mandated and voluntary training offered. The notification will include, but is not limited to, the following:

- Training sponsor/vendor
- Course topic and objectives
- Trainer name and biography
- Days and hours of course
- Location of course
- Registration instructions with link to TP, if applicable

Training Registration

TP will be utilized to manage documentation of CFS employee training and allows employees to:

- Enroll in a cataloged event (a training scheduled in TP)
- Apply for a non-cataloged event (a training not scheduled in TP)
- View yearly transcripts of training completed

For instruction on how to complete specific tasks within TP, refer to the following documents on the SSA/TCD website:

- [Login Instructions](#)
- [Find and Enroll In a Class](#)
- [Applying for a Non-Cataloged Event](#)

Supervisor and PM Responsibilities

Assistance With Meeting Training Requirements:

Supervisors and PMs will assist employees in completing the mandated training requirements through consideration of the following actions:

- Provide training opportunities at Unit and Division meetings
- Review training transcript at individual conferences and annual reviews
- Discuss upcoming scheduled trainings at unit meetings

Mapping:

Through a process called “mapping,” supervisors and PMs will connect non-cataloged events to pre-established “CFS–Generic

Training” scheduled in TP. Mapping non-cataloged events to a scheduled CFS–Generic Training allows for accurate compliance reporting to the State.

For instruction on how to map a non-cataloged event, refer to [Mapping a “Non-Cataloged Event”](#) on the SSA/TCD website.

When a specific non-cataloged event title and hours are needed, supervisors and PMs will request that the training be added to TP by calling TCD Reception at (714) 435-7200.

Compliance Tracking:

Supervisors and PMs will monitor employee compliance with the mandated training requirements through TP and the OCSSA Report Portal (Portal).

In addition to enrolling in a cataloged training or applying for a non-cataloged event, TP allows supervisors and PMs to:

- Map a non-cataloged event to a CFS–Generic Training
- View and print reports (i.e., a transcript of courses and hours completed by an employee in total or per fiscal year)

For direction on viewing and printing transcripts, refer to [Viewing Individual Transcripts](#) on the SSA/TCD website.

The Portal provides data for the current regulation period (fiscal year) and allows supervisors and PMs to:

- Review and print total training hours by program or unit
- Review and print individual compliance
- Review and print compliance with Core Training
- Access a form to report transcript discrepancies

For instruction on accessing the Portal, refer to [How to Access CFS Reports Via OCSSA Report Portal](#) on the SSA/TCD website.

Supervisors and PMs will notify TCD if an employee is unable to complete required training requirements due to an extended period of absence or separation from employment by completing *State Mandated Training Non-Compliance Notification (F063-25-587)* as outlined in the Procedure section of this policy.

CDSS Report

TCD is responsible for notifying the CDSS, in writing, if SSA cannot meet the timeframes for completion of any of the training requirements. The notification will describe:

- The conditions or circumstances resulting in non-compliance
 - The number and percentage of employees impacted
 - The actions to be taken to achieve compliance
 - The timeline for anticipated compliance
